

Invitation to submit Contractor Prequalification Documents (PQD) for the procurement of Construction of D Line TSE Pumping Station and Transmission Main Project CP 762

The Public Works Authority in the State of Qatar seeks to prequalify competent and eligible Contractors with relevant capabilities and experiences for the procurement of CONSTRUCTION OF D-LINE TSE PUMPING STATION AND TRANSMISSION MAIN (CP 762) project in Doha, Qatar. The prospective Contractors/Joint Ventures (JV) who are interested to participate in the bidding process are hereby invited to submit their prequalification documents in accordance with the requirements prescribed below.

Project ID: IA/2018/C011/G

Project Ref.: Application for Contractor Prequalification, Civil Project CP 762

Project Name: Construction of D Line TSE Pumping Station and Transmission Main.

BRIEF DESCRIPTION OF THE WORKS

C762 project consists of 120,000 m3/day proposed TSE pumping station and roughly 68km of 1200 mm diameter ductile iron TSE transmission main, starting at the existing Doha South Sewage Treatment Works and to be laid along the MME allocated utility main corridor along the Salwa International Highway, up to Al Rakhiya Farms, and further up to New TSE storage lagoon. There are TSE extension lines to connect the existing TSE networks.

PRE-QUALIFICATION DOCUMENT

Prequalification Documents (PQD) can be downloaded by accessing PWA website www.ashghal.gov.qa which comprise the following:

1. Anti-Corruption and Confidentiality Declarations
2. Part 1 - Prequalification Procedures
3. Part 2 - Scope of Works

During the bidding period, the Applicants shall visit the above Public Works Authority website frequently for updates, tender circulars and/ or addenda, if any.

SUBMISSION OF PREQUALIFICATION APPLICATION

The closing date for submitting the Prequalification Application in accordance with the requirements set out in the Instruction to Applicants shall be no later than (Thursday, 26th April 2018 at 1:00 pm (local Doha time, GMT +3.00)). Applicant's attention is drawn to the requirement that two hard copies (Original and one Copy) and two soft copies on a Compact Disk (CD) must be included as part of the submission.

Applications must be in the format as specified in the prequalification documents and be submitted to:
